THE TRUTH SOMETIMES NOT FOUND OUT UNTIL TOO LATE.

SUCH is often the case in regard to persons taking medicine. They are induced by plausible reasoning, false representation and doctrines, to employ medicines that, so far from being adapted to their disease or sickness, absolutely increase the symptoms, destroy the constitution, rack the whole system, and bring on a gradual decline, terminating in death; previous to the fatal termination, however, (but unfortunately too late,) the truth is found out that the pills, mixtures, &c. they have been taking were composed of the most powerful and dangerous ingredients, prepared too by persons knowing nothing of disease or the nature of the medicines they recommended, depending altogether upon the "general doctrine" of such impostors, that their medicines will "kill or cure." Be advised, then, if you find it necessary to take some medicine for purifying the blood and cleansing the bowels, to take nothing but Dr. Leidy's justly and deservedly celebrated SARSAPARILLA BLOOD PILLS, the only pills containing Sarsaparilla in their composition—the safest and best as well as the most effectual that can be taken.

Old and young, at all times, without regard to weather, may take them without fear of taking cold, and without restraint from occupation or usual course of living. Upwards of 1,000 certificates have been published, various times, of their efficacy. More than 100,000 boxes have been sold in Philadelphia in twelve months. These facts go to prove their value, or so many never would be sold in so short a time, in a place where they are manufactured; this, however, arises in part from the fact that the manufacturer of them (Dr. Leidy) is well known at home as a regular physician and apothecary, knowing the true nature of diseases and of the medicines he recommends, attested by the most celebrated physicians, among whom are Dr. Nathaniel Chapman, Dr. Wm. Gibson, Dr. W. E. Horner, Dr. Samuel Jackson, Dr. Robert Hare, Dr. P. S. Physic, Dr. T. C. James, Dr. W. P. Dewees, Dr. J. Redman Coxe, Rev. W. H. Delaney, Robert Adrian, L.L.D., &c. &c.

Orders for Dr. Leidy's BLOOD PILLS are daily received from the North, South, East, and West, and in a place where they are manufactured; this, however, arises in part from the fact that the manufacturer of them (Dr. Leidy) is well known at home as a regular physician and apothecary, knowing the true nature of diseases and of the medicines he recommends, attested by the most celebrated physicians, among whom are Dr. Nathaniel Chapman, Dr. Wm. DYOTT'S ANTI-BILIOUS PILLS

As a family medicine, a mild, gentle purgative, and purifier of the blood—the general use of these celebrated Pills throughout the United States for forty years past, and the strong recommendations they have acquired from all classes of our fellow citizens, places them in a much more elevated situation in public estimation, than any other remedy which has heretofore been introduced.

The following are among the many diseases for which Dr. Dyott's celebrated pills are so deservedly distinguished for curing. By their counteracting properties in removing the bile from the Stomach, they prevent and cure the bilious fever, chills or ague and fever; spring and fall fevers; yellow fever; bilious cholera pleurisy; dysentery; worms; bilious vomiting; sick and full stomach.

By cleansing the bowels and stomach from all impurities, they restore the appetite; remove flatulency; cure the headache; habitual costiveness; colds; coughs; asthma; epileptic fits; hypochondria; hysterical complaint; strangury; gravel, &c.

By a general and copious use, they will be found very beneficial in curing the rheumatism and gout, lumbago or pains in the back. All impurities in the blood yield to their happy effects, whether proceeding from constitutional ailment, or from indiscreet intemperance.

These celebrated pills have been used to very great advantage in curing the dyspepsia, or indigestion, bronchitis, liver complaint, &c.

They are an infallible medicine for Female Complaints generally, and especially for removing those obstructions which are the source of their ailments at certain periods, they possess the eminent advantage over most other purgatives, that while they operate gently, they produce neither costiveness, debility, nor too great excitement.

Whenever there is a predisposition to receive disease from marsh effluvia, or from a too copious use of ardent spirits, or from a vitiated state of the bile, these pills will assuredly counteract it.

They are highly recommended to travellers by sea or land, and may be made use of without change of diet, and in situations where no exercise can be used. They will be found particularly valuable for preventing diseases incidental to hot climates, they deterge and cleanse vicid humors, open obstructions, and promote the secretion of good bile, operate as an easy cathartic, as a powerful diuretic, and as a diaphoretic.

Dr. Dyott, under the strong conviction of the power of his pills to relieve the afflicted, recommends the use of them to those who are in health as well as the afflicted, at least once a fortnight, during the Spring and Summer months, in which he feels assured those who attend to his advice will find the benefit they seek.

A bill of directions accompanies each box of Pills.

Take notice—each box is sealed with red wax, stamped with the Proprietor's coat of arms, and signed

T. W. DYOTT, M. D.
 T. W. DYOTT, Jr.

For sale at the Bookstore of R. FARNHAM, corner of 11th street and Penn. Avenue, and at the most respectable Drug Stores in the District, where, also, are for sale separately, all the sixteen Standard Preparations as contained in Dyott's Family Medicine Chest.

SIDDALL'S INDIAN VERMIFUGE.

THIS valuable medicine is offered to the public with the confident assurance of superior efficacy as a remedy for worms. It not only expels the worms, but prevents the return of them, by removing the weak state of the digestive organs on which their production mainly depends.

It also removes the superabundant mucus or slime existing in the stomach of children in bad health, and which forms the bed or nest in which the worms produce their young. In doubtful cases, where there is a general derangement of system from want of due action in the liver and debilitated or torpid condition of stomach and bowels, the INDIAN VERMIFUGE gives speedy relief by cleansing the stomach and bowels and stimulating the liver to healthy action—the appetite is speedily restored, and the pale and sunken countenance gives place to the plumpness of face, and the ruddy hue of health.

The following general agencies are established in Philadelphia, where the medicine may be had Wholesale and Retail:

Dyott's Fountain Head, Second above Race street, and Vaughan, Third and Race street. Price 25 cents.

For sale at R. FARNHAM's Bookstore, corner of 11th street and Penn. Avenue, and at the most respectable Drug Stores in the District.

WHITWELL'S JAUNDICE TEMPERANCE BITTERS.

OR PEOPLE'S BEST REMEDY.—For the cure of Jaundice, Fever and Ague, Debility, Worms, &c.

EVIDENCE OF THE GOOD QUALITIES OF THIS COMPOUND.—Dr. Hooper, in his Medical Dictionary, in allusion to a prominent ingredient in these Bitters, says—"It has been found very effectual in restoring digestion, expelling flatulence, and removing costiveness, so common in sedentary life."

Dr. Lettem, the most scientific physician in Europe, says, on the same page, "In hysterical affections, it affords more vigor and relief than any other article before known."

Dr. Bigelow, in his sequel to the U. S. Pharmacopoeia, says, page 331, in allusion to the same article, "It is one of the most valuable of the Bitter Tonics. It has an invigorating effect on the stomach and bowels, and is peculiarly serviceable in dyspepsia."

These Bitters contain a large proportion of the Extracts of Sarsaparilla and Tomatoes, as any bitters in the United States, and rank immeasurably above all others in existence for creating an appetite, reviving the spirits, and strengthening the whole system.

HOMOEOPATHIC PILLS, or a Medicine in the minutest doses, with the most beneficial results.—They are used for the same complaints as the Temperance Bitters, and should always be used together, the pills being a gentle cathartic, and the Bitters the best tonic, or strengthener, in existence.

The Bitters are capital for cleansing the blood, are free from all stimulants, and sold at the low price of 25 cents for a pint bottle, the Pills at 25 cents a box.

TO THE READER.—Whenever you want OPODELDOC, always buy Whitwell's, and no other, or you will be deceived and disappointed. It is infallible in Rheumatism, Sprains, &c.

WHITWELL'S AROMATIC SNUFF is also a capital article in Catarrh, Headache, &c. Price 25 cents a bottle.
